Marketing Associate

Satlantic is one of Nova Scotia's most successful exporting high-tech firms. We provide environmental monitoring sensors and systems to the world's leading oceanographic and scientific organizations.

Satlantic has an immediate opening for a Marketing Associate to assist in managing our expanding international market opportunities. We are looking for a proactive, versatile and creative individual with excellent communications skills and a technical aptitude. This individual will promote Satlantic's brand image, products and capabilities worldwide. Good interpersonal skills and an ability to learn in a high-tech environment are essential to the position.

Qualifications for the Marketing Associate include:

- Related degree from recognized university or college
- Two years work experience in marketing or high-tech environment
- Excellent written communication skills
- Technical aptitude
- Internet savvy
- Ability to think creatively
- Strong organizational skills
- Professional demeanor
- Video editing experience an asset

Brief profile of responsibilities:

- Manage and maintain web site
- Develop, maintain and manage text, photographic and video content for web site
- Prepare, distribute and manage public relations materials and press releases
- Develop, maintain and manage print advertising materials
- Develop and maintain promotional materials
- Organize conference and trade show events
- Manage logistics of registration and shipping for conferences and trade shows
- Assist in preparing market research assessments

Satlantic offers a great career opportunity in an exciting work environment with competitive compensation and opportunities for international travel.
